WORK EXPERIENCE

Programmer / Analyst

July 2022 – Present

Medavie Blue Cross • Remote from Ottawa, Ontario

- Supported multiple AWS-hosted products, including the corporate website with over 1,000 daily users.
- Maintained and enhanced the corporate website by developing on-demand features, doing regular maintenance releases, and completing code updates aligned with business needs.
- Collaborated with business, marketing and UX teams to deliver technically sound solutions and provide actionable feedback.
- Refactored legacy code, retired outdated solutions, upgraded libraries and plugins and improved overall codebase health.
- Contributed to the development of an internal Vue.js application used daily by Medavie employees to monitor client health insurance plans and activities.
- Developed and maintained reusable UI components for a Vue.js component library.
- Resolved technical issues flagged by SEMrush and SonarQube, improving application SEO and code readability.
- Mentored junior developers, providing training and support.

Web Designer, Web Content Creator & Conference Coordinator

September 2021 – April 2022

International ASET Inc. • Ottawa, Ontario

- Successfully planned, organized and hosted over 20 scientific conferences.
- Dramatically increased quality of commercial HTML emails by using the latest design trends in web development and implementing it with HTML5 and CSS.
- Monitored the quality and SEO of company's website
- Attracted more audience by updating old flyers and brochures using the latest design trends.
- Created over 15 social media posts and videos.
- Attracted over 30 Keynote Speakers and Scientific Committee Members from such universities as Oxford, Stanford, Harvard

ESL Teacher

February 2017 - July 2017

A+ English, Russia

- Planned and taught engaging lessons and games for kids of various ages (5 – 13)
- Participated in the organization of a part-time English summer camp.

VOLUNTEERING EXPERIENCE

Volunteer

March 2023 – January 2024

CityKidz Ottawa • Ottawa, Ontario

CityKidz is a non-profit organization that increases resiliency and inspires big dreams for Canadian children living in low-income communities by providing inspirational experiences and nurturing personal relationships, one child at a time.

Web Developer

July 2021 – October 2021

Women IT Teleworkers • Ottawa, Ontario

Worked with a team of developers on creating a web application for co-parenting.

EDUCATION
